High Impact Presence

High Profile Target Audiences

The **Lounge View** network features **three strategically placed moving image walls**: a striking video wall and two large wide screen monitors. This network is made available **exclusively** to customers and guarantees that all guests in the lounge are reached thanks to the 100% share-of-flight occupancy. The message thus receives undivided attention and visibility at the highest level.

Around **200,000 guests** visit the Hamburg Airport Lounge every year and spend an average of **three hours** there – a unique opportunity to showcase your brand to an influential and discerning audience. The lounge acts as a central meeting point for business travellers, decision makers and opinion leaders, and offers the brand an ideal environment to maximize its impact.
